**Re: United States v. Cresenciano Fernandez**  
**22 Cr. 46 (CS)**

Defendant may travel to Florida 4/14/22  
to 4/18/22 as requested, provided he gives  
all particulars to his Pretrial Services  
Officer.

SO ORDERED.

  
CATHY SEIBEL, U.S.D.J.

3/29/22

Dear Judge Seibel:

I am writing to ask the Court so "SO ORDER" a travel request that the Court granted orally at the pretrial conference held on February 17, 2022.

At the last conference, with the consent of the Government, the Court approved the defendant's request to travel to Florida on April 14 returning to Massachusetts on April 18.

Mr. Fernandez's supervising pretrial serviced officer has asked for documentation that the travel was approved which has prompted this letter application.

Thank you for Your Honor's consideration of this request.

Respectfully requested,

Kerry A. Lawrence
